

## Publishing and Web integration

Publishing helps us to track and monitor key performance metrics, and to communicate results and progress. help a publisher stay informed, make better decisions, and communicate their performance to others.

### Publishing dashboard and reports to tableau public

Step 1: Go to Dashboard/story, click on the share button on the top ribbon

Give the server address of your tableau public account and click on connect.

Explanation Video:- [Link](#)

step 2: Once you click on connect it will ask you for tableau public user name and password
